August, 2009

Dear Parents:

The end of another successful soccer season is fast approaching and I would like to take a moment to thank the Board of Directors, our office staff, referees, coaches, volunteers, parents and players for their contributions. I hope you were able to see improvement in your children's soccer skills and that everyone enjoyed their summer.

Schedules for semi-finals in the U9 and up age groups will be posted soon. Please stay tuned to our web site.

Our year-end soccer event is set for August 29<sup>th</sup> and 30<sup>th</sup>. Games will be either at the Hornet's Nest on Bearbrook Road or Potvin based on the age groups. Schedules will be posted soon. Please note that for 2009 parking at the Hornets Nest will be restricted primarily to coaches, referees and volunteers. There will be limited parking for players. A drop zone will be established so that parents can drop off coolers, chairs, etc. and then move to parking at Louis Riel or any legal parking spot on Bearbrook Road. We are also trying to extend time frames between groups of teams coming and going in order to maximize parking potential. Security will be in place to authorize parking and provide assistance at the drop zone and for legal parking. We will also have a number of other improvements for this year to help make it an enjoyable experience for you and your children.

I will write to you again in September letting you know about upcoming events such as the AGM. We will have numerous openings on the Board in 2010 so please don't hesitate to contact me if you think you may have time and an interest in joining us.

Sincerely,

Sean Cale  
Chair
