June/July, 2009

Hello parents,

We are off to a good start to the season! While there have been a few wet nights overall the weather has been soccer friendly lately and a lot of the fields are in nice shape.

A few reminders:

Ensure your child has plenty of water now that the hot weather is here.

Please strive to arrive on time even for practices as it makes it difficult to run drills if the coach has to stop and repeat for every child who arrives after 6:30.

For those of you whose children have long hair (boys or girls) please have it tied up with a head band or other soft device. No bobby pins or plastic clips please.

Please also remember that a responsible guardian **must** be at the **entire** practice and/or game for all players 12 and under.

I have seen a lot of good encouragement from the parents so far, which is great! We would like to remind you though that the kids are there to have fun, learn soccer and build team skills. We discourage the practice of rewarding kids for goals with money, etc.

I would also like to remind all parents and coaches to respect the referees and to control your emotions during and after games.

Please visit our sponsors Lorenzo Pizza, Tyro's Lebanese and Boston Pizza. If you go to Boston Pizza, please retain your receipt and provide it to your coach or to the office as we get 10% back from total receipt values.

We have open positions on the board for Executive Director of Operations along with Director of Marketing and Communication so if you enjoy the Dragons organization and have time to help out, please let us know.

Enjoy the beautiful game and your summer!

Sincerely,

Sean Cale
Chairman
