September, 2009

Dear Parents

The 2009 soccer season has officially come and gone! ,Overall, we had a great season even if the weather didn't always play fair, especially last Saturday but nobody said the beautiful game had to be played on a beautiful day.

I would like to use this last communication to thank everyone who made the season a success. I will start with my fellow Board members who, through countless hours of personal time and tons of e-mails, made everything happen, often times pulling last-minute miracles out of their hats. I would next thank Bridget and Currie, none of this would happen without their administrative skills and endless patience manning the office.

Next, I offer my thanks to the coaches and assistant coaches. The Board, and I'm sure the parents, appreciate you stepping up, sometimes multiple times, to give the kids in your charge the most skills development, sense of team and fun they possible can get. Thanks go out as well to Fred and Lutz and their team of referees. While they are often the easiest target on the field it is an important and difficult job and one that is essential for our operation.

Lastly, I would thank the parents for providing their children with the opportunity to participate in soccer and encouraging their successes on the field as well as off. I hope all your children had a good experience this year and we look forward to having them back in 2010.

We will be having our Annual General Meeting on Tuesday, October 20th at the soccer office on Canotek Road at 7:00pm. All parents and coaches are welcome and encouraged to attend. This is your opportunity to learn more about the league and your chance to participate in mapping the future of the Dragons. On that note, there will be a number of openings on the board as some of our current members will be retiring. Please see the web site for more information or feel free to contact me if you would like more information. The staffing of the Board is vital to the 2010 season getting off the ground.

Thanks again to the kids and everyone in and around the Dragons organization for a great 2009.

Sincerely,

Sean Cale
Chair
